The degree of Batchelor of Laws will be conferred upon all graduates who shall, after pursuing legal studies for one year, pass a satisfactory examination; and upon others not under-graduates, who shall, under like conditions, pursue the study of law for four collegiate terms. It is intended to combine in the instruction of this department, lectures and recitations, and to give the student a precise and accurate knowledge of legal principles.

ASTRONOMY.

As a means of rendering more full and complete, the course of instruction in this department, an Astronomical Observatory has recently been erected on the College grounds. Contracts have also been made, for the instruments with which it is to be furnished; all of which, it is believed, will be completed and ready for use, in the course of the present year.

CHEMISTRY.

A new building is being erected, for the better accommodation of Students in this department. It is intended that superior facilities shall be furnished for the acquisition of a practical knowledge of the science of Chemistry. Much attention will be given to Analysis, and also to Chemistry as applied to the Arts and Agriculture.

3. From the fourth Wednesday in April, to Commencement.

EXPENSES.

Board, from $1 to $2 per week,	$39 00 to	$78 00
Room Rent, $3 per term,	9 00 "	9 00
For sweeping and other contingencies,	4 00 "	4 00
Fuel and Lights,	5 00 "	10 00
Tuition,	30 00 "	30 00
Amount,	$87 00 "	$131 00

In addition to the above, any damages voluntarily committed in the community of Students, are charged to the individuals committing them when known; to the whole body, when not known, under the name of Extra Contingencies.

The above estimate of expenses is, of course, considerably diminished in the case of those Students who take advantage of the resolution of the Board of Trustees, which provides for a remission of their bills for tuition.

A Student admitted to an advanced standing, unless from another College, is charged, to the Sophomore Class, $7; to the Junior, $10; to the Senior, $12.

Students whose circumstances make it necessary for them to take schools during the winter season, are permitted to be absent from their Classes for that purpose.

PAYMENT OF BILLS.

It is provided by a resolution of the Board of Trustees:

1. That no Student shall be permitted to enter on a second, or any succeeding Term, until he shall have paid, or secured to the satisfaction of the Treasurer, the fees of the preceeding Term.

2. That no Student can have an honorable dismission from this College, or certificate of his previous attendance in it, until all his bills are paid, or satisfactorily secured.

3. That any Student, whose circumstances render it necessary, and who shall present satisfactory testimonials of that fact, provided he proves himself a worthy member of the College, and his under-graduate course is completed in this Institution, can have his bills for tuition remitted.

SECOND DEGREES.

Graduates of three years' standing, are entitled to the degrees of Master of Arts, on application to the President. The fee for the Diploma is $5.00, payable in advance.

ABSENCE FROM COLLEGE.

The portion of the year allotted to vacations is so great as to render it quite unnecessary for Students to visit their friends during the Term, except for urgent and unforeseen reasons. The occasional loss of a day, can not fail to have an unfavorable bearing on the intellectual habits and standing of the Student. It is hoped that parents and guardians will concur with the Faculty, in their opinion of the inexpediency of granting leave of absence in ordinary cases.
